PUBLICATION OF THIS DOCUMENT
APPROVED BY THE
SUPERVISOR OF ADMINISTRATION.

The Commonwealth of Massachusetts.

OFFICE OF THE BANK COMMISSIONER,
STATE HOUSE, January 15, 1919.

To the General Court of Massachusetts.

The annual report of this department is herewith submitted under the requirements of section 15, chapter 590, Acts of 1908, and exhibits the condition of savings banks, co-operative banks, credit unions and savings and loan associations as disclosed by their annual returns of October 31, 1918, and also of trust companies at the date of each of the five calls during the past year.

The complete report will, as heretofore, consist of two parts: Part I. relating to savings banks and trust companies, and Part II. relating to co-operative banks, credit unions, and savings and loan associations. The customary consolidated statements covering transactions of savings banks and trust companies appear in this report.

¹ Increase for the combined departments.

² Decrease.

The year that has just elapsed has been one of the most trying and eventful years in the history of modern banking. During that period the bankers of this Commonwealth have not only been compelled to solve their own problems, but, with their working forces depleted by the draft, they have been called upon to conduct the sale of Liberty Bonds and other government securities on behalf of the national government.

At the beginning of the year there were many who were filled with dark forebodings, believing that the difficulties to be encountered were almost insuperable; but the obstacles that loomed so large have been overcome, the problems which seemed so intricate have been solved, and the fact that this country has emerged from a successful war without the slightest apparent financial stress or strain is due in a large measure to the courage, co-operation and resourceful intelligence, without class distinction, of the bankers of this Commonwealth, and they are to be congratulated upon having maintained the high record of the past.

According to statistics prepared by the Comptroller of the Currency as of June 30, 1918, the total resources of the national banks of the United States amounted to \$17,839,000,000, and the aggregate resources of the national and State banks, savings banks, private bankers and trust companies amounted to \$40,210,000,000. From these statements it would appear that the resources of the institutions under the supervision of the Bank Commissioner of this Commonwealth were equal to approximately $12\frac{1}{2}$ per cent. of the resources of all the national banks in the country, and to more than 5 per cent. of the total banking resources of the United States.

These figures demonstrate the extent to which the banking system of this Commonwealth has been adapted to the needs of its people, its business and commerce, and the confidence that it has inspired. They are all the more noteworthy when we consider the various measures passed, recently pending or proposed at Washington for the avowed purpose of enabling national banks to compete with State banking institutions.

The strength of the banking system in this Commonwealth has been due to its adaptation to local needs and changing conditions, and to the fact that it has sought to promote intelligently the business and commerce of the Commonwealth and to aid the nation in assuming its proper place in international commerce.

The 196 savings banks doing business report assets amounting to over \$1,132,560,000 and deposits amounting to over \$1,033,892,000, represented by 2,486,834 accounts, an average of about \$415.75 to each account.

During the year there has been placed to the credit of depositors more than \$42,150,000 in dividends. The guaranty fund, amounting to \$50,426,647, is 4.88 per cent. of the amount of deposits. The increase in the deposits has been over \$11,550,000.

There are 102 trust companies with combined assets of \$899,721,003.94, of which \$673,064,247.51 are the assets of their commercial banking departments, \$77,975,995.72 the assets of their savings departments and \$148,680,760.71 the assets of their trust departments.

There are now 186 co-operative banks doing business in this Commonwealth with total assets of about \$140,201,000, belonging to about 249,000 shareholders.

There are 59 credit unions doing business, with aggregate assets of \$1,977,778.94, showing an increase during the past year of \$730,193.47 in assets and of 3 in number.

The combined assets of the savings banks, the trust companies and the co-operative banks, together with the Massachusetts Hospital Life Insurance Company and the branch of the Bank of Nova Scotia, all of which are under the supervision of this department, amount to \$2,204,996,077.32. This is an increase of more than \$155,951,530.65 since a year ago. The number of depositors and shareholders who have availed themselves of these banking facilities is about 68,500 greater than a year ago.

In addition to these 486 institutions which do a banking business as ordinarily understood, there are 1 State bank, 3 savings and loan associations, 73 steamship agents who receive deposits of money for safekeeping or transmission abroad, and 59 credit unions whose affairs are supervised and whose books and accounts are examined, making a total of 622 institutions and agents under the supervision of this department. There has been paid over to the Treasurer and Receiver-General during the year about \$40,000, which was received by this department as fees for audits, license fees from steamship agents and fees for registration of public accountants.

During the period covered by this report the Department has been asked at various times to co-operate both with the Comptroller of the Currency and with the officers of the Federal Reserve Bank of

Boston in obtaining information deemed necessary for the national welfare, to the end that the banking resources of the country might be placed at the disposal of the national government to the fullest extent during the period of the war and that measures necessary to strengthen and maintain the financial structure be taken advisedly. The co-operation requested has been freely given and the interchange of views resulting therefrom has been mutually helpful.

The Department was represented by the Commissioner, Deputy Commissioner and chiefs of the Savings Bank Division and the Co-operative Bank Division at the convention of the National Association of Supervisors of State Banks, which was held at Hot Springs, Ark., on the twenty-third, twenty-fourth and twenty-fifth days of May, 1918. This association has wielded a constantly increasing influence in the banking affairs of the nation, and the enactment of wise banking laws and the adoption of various measures for the protection of depositors have been promoted by it. The Commissioner was appointed upon a special committee named to co-operate with the State banking institutions of the various States in the establishment of a nation-wide association of State institutions in order to promote sound banking legislation, both State and national. The work of this committee resulted in the organization, at a meeting attended by bankers from over thirty States and held in St. Louis, Mo., on July 15, 1918, of the United States Council of State Banking Associations. The wide scope of this organization as conceived by its originators is indicated by the fact that the first president elected was a prominent banker of Los Angeles, Cal., while the secretary of the association is connected with one of the large trust companies of New York city. The first members of the Council were chosen by Federal Reserve districts.

I ought, perhaps, to mention at this time that, as a natural outgrowth of the acquaintances formed at the conventions of the National Association of Supervisors of State Banks and the interchange of opinions at these conventions, there have been throughout the period of the war numerous conferences between the supervising officers of the New England and Middle Atlantic States which have been, in my judgment, of great benefit to the supervising officers, to the institutions under their supervision and to the general public, and have also had considerable influence upon measures taken at Washington in connection with the financing of the war.

At the time the first Liberty Loan was issued there was grave apprehension of its effect upon savings deposits. The superintendent of banks of New York called a conference of the bank commissioners of New England and the Middle Atlantic States to consider what action, if any, could be taken to protect savings bank interests. At this conference the commissioners memorialized the Secretary of the Treasury, setting forth the investments of savings banks in real estate mortgages and the hardship which would result if payment was demanded, and suggesting that relief might be afforded by the government in case the savings banks had to borrow money to meet withdrawals. The Secretary of the Treasury was responsive to this appeal, and considered it in framing the war finance corporation bill. When that measure was before the finance committee of the United States Senate, Senator Gallinger secured a hearing for representatives of the bank commissioners of these several States. Mr. Thorndike of Massachusetts and Mr. Lyford of New Hampshire appeared before this committee in behalf of their associate bank commissioners, outlining the situation of the savings banks and suggesting amendments to the war finance corporation bill, and the bill was so amended that savings banks can borrow through this corporation for a length of time and at a rate of interest that is satisfactory to them. Fortunately no occasion has arisen requiring the savings banks to borrow money aside from temporary accommodations obtained from their regular correspondents or depositories. Very few banks have had to ask for accommodation, the calls of their depositors being readily met from their ordinary receipts.

National legislation has been proposed under which national banks may enter into fields which have heretofore been left entirely to State banking institutions. According to some recent recommendations emanating from Washington, while the plan for uniform nation-wide department banks has been temporarily abandoned, State institutions are not to be left to exercise their special powers without competition. Encroachments upon their special powers are to be authorized and legalized, even if it is necessary to destroy the uniformity now existing in the national banking system.

If these later theories be enacted into law, whenever a State has conferred upon any of its financial institutions the power to act in a fiduciary capacity, the national banks of that State will also have these powers, even if their exercise is not safeguarded in like

manner. If in any State the State banks are permitted to have branches, the national banks will in that State also be permitted to maintain branches. If in any State there has been created a great system of mutual savings banks, in that State the national banks, although not mutual but operated for the profit of shareholders, will be authorized to call their interest departments savings departments, and so appropriate the word which has for a generation or more been synonymous in this State with mutual institutions created under State laws. These deposits, moreover, will not be segregated, nor will the entire net income from investments be distributed among the depositors.

It does not seem to me that the national banking system needs so much paternalism and avowed protection. In fact, it may be questioned if the national banks do not really suffer from so many alleged and widely advertised attempts to promote their interests. In this Commonwealth, at least, the national banks are able to protect themselves and are worthy of the utmost confidence and respect. National and State institutions have constantly and consistently co-operated to promote the general welfare, and during the war have united in giving patriotic support to the national government by financing the various Liberty Loans. They have, whenever necessary, taken concerted action for the purpose of promoting and sustaining the business and commerce of the State and of the entire country. When left to themselves there is no quarrel between them.

The national banking act was designed to give to the United States a uniform system of commercial banks adapted to the needs of every part of the country. In order to distinguish them from State institutions and give them the advantage of such reputation as they might earn, they were given the exclusive right to the use of the word "national." They were also given the power to issue currency secured by bonds of the national government upon profitable terms, and the State banks, by prohibitive taxation, were compelled to forego the privilege of issuing currency. So well have the national banks fulfilled the purposes for which they were designed that the name national bank is in itself an advertisement. It has become a title of honor, descriptive throughout the United States of uniform and well-defined banking institutions, and the national banks might to-day well resent the theory that they need such constant solicitude and assistance from official sources.

In the meantime, however, in various sections of the country State institutions have been developed to meet the special business and commercial needs of different localities. Their special powers, however, are attended by special risks, and safeguards against such risks have, as the result of experience, been embodied in the State laws which cannot be readily inserted in Federal acts applicable to the entire country. As the national banks were intended to be strictly commercial banks, they were prohibited from making long-term loans upon real estate security, and they did not solicit the small deposits of industrious laborers and wage-earners of other classes or pay interest thereon. As a consequence, mutual savings banks have been developed in the northeastern and middle States to encourage thrift by investing the small savings of the people for them and returning to them the profits derived from such investments after deducting expenses and so much of the earnings as is deemed necessary to guarantee the safety of deposits during periods of depression. In order that their deposits might be safely used for the development of the communities in which the funds were accumulated, the trustees of these mutual institutions were originally authorized to invest in high-grade mortgages; they were also authorized to invest in bonds of the United States, of the wealthiest and most populous States and in very high-grade municipal securities. The system was developed to such an extent that further investments became necessary, and the savings banks were authorized to assist in the development of the entire country by investing a portion of their deposits in the high-grade railroad bonds. The laws under which these mutual savings banks have operated are so restrictive and the system of supervision evolved has been so efficient that, although the mutual savings banks of Massachusetts alone now have total resources of \$1,132,563,108, in a period of nearly thirty years, only seven savings banks have been closed by the bank commissioners with any loss to depositors, and the losses, when compared with the vast amount of deposits received and returned during that period, are of course almost infinitesimal.

It would be impossible to estimate their importance in developing the real estate resources of the Commonwealth. Their present outstanding mortgages aggregate \$529,887,256.

LIBERTY LOAN BONDS.

The patriotism of all the institutions under the supervision of this department is indicated by their subscriptions to the Liberty Loans, which they are either holding as investments or for selling on the partial payment plan to their patrons.

The aggregate subscriptions for the First, Second, Third and Fourth Liberty Loans were approximately as follows:—

Savings banks,	\$53,999,522 00
Trust companies,	26,478,067 19
Co-operative banks and savings and loan associations,	2,653,232 93
Massachusetts Hospital Life Insurance Company,	1,087,409 19
Credit unions,	41,150 00
Foreign bankers,	294,600 00
	<hr/>
	\$83,466,572 12

In addition to the above, \$54,371,050 United States Certificates of Indebtedness were held by all the institutions on October 31, 1918.

WALES SAVINGS BANK.

The final liquidation of the affairs of this bank awaits the disposition of one estate upon which the bank holds a mortgage. The original borrower being deceased, the process of settling this estate is in progress.

This bank has already paid its depositors in full.

BOARD OF BANK INCORPORATION.

Trust Companies.

The following trust companies have commenced business during the year 1918:—

Brockton Trust Company.
Winthrop Trust Company.

Permission has been granted by the Board of Bank Incorporation to the following trust companies to establish a branch office:—

Everett Trust Company.
Hanover Trust Company.
Highland Trust Company.

Certificates were issued by the same Board to the following trust companies that public convenience and advantage would be promoted by the establishment of said trust companies, but said companies have not commenced business: —

Fall River Trust Company.
Roxbury Trust Company.
Textile Trust Company.

This department, in connection with and in addition to the usual examination of trust companies, has audited the books and accounts of 61 trust companies, which by their stockholders' examining committees availed themselves of the provisions of chapter 409 of the Acts of 1913.

At the end of the last fiscal year 7 trust companies had become members of the Federal Reserve system. As a result of appeals to the trust companies on the ground of patriotism, and their belief that the Federal Reserve Bank of Boston should be strengthened in order to meet all emergencies resulting from the war, 13 more trust companies have become members of that institution, making a total of 20 trust companies that are now members of the Federal Reserve Bank.

MATURED SHARES IN CO-OPERATIVE BANKS.

By an act of Legislature passed in 1915 co-operative banks were permitted to allow members whose shares have reached the matured value of \$200 each the option of leaving some of these shares as an investment in the bank.

Shareholders in 77 co-operative banks have availed themselves of this privilege, and these shareholders own 30,120 shares, valued at \$6,024,000. These matured shares, upon which no periodical payment of dues is required, are represented by matured share certificates, and the return to the shareholders owning them is about one-half per cent. less than the regular dividend credited to those shareholders who pay monthly dues on unmatured shares.

EXAMINATION OF THE AFFAIRS OF THE TREASURER AND RECEIVER-GENERAL OF THE COMMONWEALTH.

The examinations made by this department during the year were as follows: —

The first examination was made as of the close of business January 21, 1918, in behalf of the joint committee on ways and means as

required by chapter 414 of the Acts of 1908, and the second was made as of the close of business October 10, 1918, in accordance with the provisions of section 68 of chapter 6 of the Revised Laws, at the request of the Governor and Council.

SAVINGS BANK LIFE INSURANCE.

The tenth full financial year of Savings Bank Life Insurance ended October 31, 1918. This report includes the annual statement for the year of the four banks which have undertaken the business of life insurance under chapter 561 of the Acts of 1907.

The four banks are the Whitman Savings Bank of Whitman, the People's Savings Bank of Brockton, the Berkshire County Savings Bank of Pittsfield and the City Savings Bank of Pittsfield.

These banks issued and revived during the year ending October 31, 1918, 9,122 policies, representing \$3,610,795 of insurance. The net gain is 3,027 policies for \$1,643,970 of insurance. There were in force in all four banks on October 31, 1918, 20,707 policies for \$9,783,239 insurance, with 104 annuities representing annual payments of \$30,268.

These banks are prohibited from employing solicitors or house-to-house collectors of premiums. The largest single portion of the expense to the policy holder is thus removed. The savings bank life insurance plan appeals to the people on the basis of thrift, and especially to the savings bank depositors. It is recognized that some inexpensive substitute must be provided for the soliciting agent, consequently the banks are permitted to establish agencies throughout the State in mills, shops and factories, and public places, including other savings banks and trust companies. The mechanism whereby these agencies serve as feeders to the insurance banks is simple: an employer becomes an agency for the insurance banks by signing agency agreements in which he agrees to collect the premiums from his employees on their policies and remit them to the banks once a month. The employer appoints an agency secretary, usually the paymaster, and the agency is entitled to 2 per cent. of the collections so made. Most of the employers waive this collection fee in order that they may say to their employees that the service is rendered absolutely without compensation to the employer, while other employers take the collection fee and give it as additional compensation to the agency secretary. The employee usually signs

an authorization which is handed to the paymaster and authorizes him to deduct the amount of the premium from the pay envelope when the premium comes due. Thus the evil of lapsing policies, which was ever-present in the private industrial companies, and formed a large part of the cause of the high cost of insurance, is mitigated in the banks; and the initiative to lapse the policy is placed on the employee, because his authorization acts until he revokes it, whereas in the companies the policy holder must take the initiative to pay his premium; if he does not, his policy lapses. Premiums are also paid direct to the banks or to a public agency.

There are to-day throughout the State about 250 agencies in mills, shops and factories; there are 45 savings bank public agencies, 20 in trust companies, 2 in national banks, and 14 other public agencies.

Chapter 246 of the Acts of 1914 amended section 15 of chapter 561 of the Acts of 1907 by requiring the mortality experience of all savings and insurance banks to be averaged and unified, so that it makes no difference in what bank a death occurs, it is distributed over all banks. This applies only to the mortality experience and is in the interest of greater security. In all other respects the insurance departments are separate in their operation. The investments are in the same kind of securities as those of the savings banks.

The system is entirely mutual and dividends are paid to policy holders every year. In addition to the regular dividends paid by the four savings banks with insurance departments for the year November 1, 1918, to October 31, 1919, two of the banks are paying extra dividends, equal to $33\frac{1}{3}$ per cent. of the regular dividends, to their annual premium policy holders.

The banks issue two forms of policies, monthly premium and annual premium policies. The monthly premium policies are designed to take the place of the weekly premium policies issued by the companies and are issued at a net cost approximately 35 per cent. less than by the companies. Insurance on the monthly premium basis is principally for amounts less than \$500, and is now issued from age two next birthday to age sixty-five next birthday.

Annual premium policies are issued for amounts of \$500 or \$1,000, and with four banks issuing insurance a maximum of \$4,000 insurance may be obtained.

Annuities, both immediate and deferred, are issued, each bank being limited to a maximum yearly payment of \$200.

Insurance is also written on the group plan, and already several firms have availed themselves of this opportunity to obtain insurance for their employees.

SCHOOL SAVINGS BANKS.

The law relative to the collection of savings from school children has now been in force for seven years. On October 31, 1918, there were 61 savings banks receiving deposits of this nature.

The reports of these banks show that deposits are being received from 393 schools located in 68 cities or towns, the system being operated in 3,027 schoolrooms.

The total number of enrolled scholars in the 393 schools on October 31, 1918, was 118,300, and 50,204 of these were depositors in the school savings banks. The amount of deposits received from this source, and other information showing the results being obtained are given below:—

CERTIFIED PUBLIC ACCOUNTANTS.

The ninth examination of applicants for certificates as public accountants was held on November 18 and 19, 1918, when 99 persons presented themselves for examination. These examinations are conducted by a Board of Examiners, appointed by and acting in conjunction with the Bank Commissioner. The last examination took place on November 18 and 19, 1918, and 99 applicants were present. As a result of this examination 24 applicants were granted certificates of registration as certified public accountants. There are now 183 accountants holding certificates of registration under the laws of this Commonwealth.

BOARD OF BANK INCORPORATION.

This Board, consisting of the Bank Commissioner, Treasurer and Receiver-General and the Commissioner of Corporations, is constituted by chapter 590, Acts of 1908, to pass upon all applications for the establishment of domestic banking corporations. During the year 1918 the Board has held 31 meetings and heard 36 applications and has visited 2 localities in which it was desired to establish such corporations or branch offices. Thirty-one applications were granted, 2 were refused, and 3 held in abeyance. These hearings have been upon 7 applications for new trust companies, 3 applications for new co-operative banks and 9 applications for new credit unions, beside additional hearings held for the purpose of determining changes of name, operating trust departments and establishing branch offices.

CREDIT UNIONS.

Credit unions making reports to this department as at close of business October 31, 1918, numbered 59, an increase of 3 since October 31, 1917. The reports of these unions show gross assets of \$1,977,778.94, an increase of \$730,193.47. The total membership shown is 17,636, an increase of 2,815. The total disbursements as dividends to shareholders were \$25,164.29, and the total sum paid as interest on savings accounts was \$23,458.34.

The following is a list of the credit unions that have commenced business since October 31, 1917: —

Credit Union of Springfield, Sebeglo Credit Union of Salem, Chester Credit Union of Chester, Russell Credit Union in Town of Russell of Russell, La Caisse Populaire de Lawrence Credit Union of Lawrence and New Bedford Central Labor Credit Union of New Bedford, but none of these have as yet commenced business.

Four credit unions are still in the possession of the Bank Commissioner for the purpose of winding up their affairs and distributing among the members whatever of the assets may be recovered; these credit unions are the Peabody Hebrew Credit Union, in which case about \$450 has been collected during the year; the Salem Investment and Credit Union, the Lynn United Hebrew Credit Union and the Peoples Credit Union of Lynn.

PERSONS, PARTNERSHIPS, ASSOCIATIONS OR CORPORATIONS, SUBJECT TO THE PROVISIONS OF CHAPTER 428, ACTS OF 1905, AND ACTS IN AMENDMENT THEREOF AND IN ADDITION THERETO.

The fiscal year 1917-18, ending at the close of business October 31, 1918, has proved rather hard and unprofitable for this class of bankers. The sale of steamship tickets has stopped entirely, and a large loss in revenue has followed from this cause, while the volume of remittances to foreign countries and the profit therefrom has decreased. Nine licenses were not renewed upon their expiration, although the bonds remained in force.

Reports were received from 73 bankers, these reports showing that 46 of this number received deposits of money for safe-keeping to a total amount of \$2,838,636.80, an increase of \$876,985.21 since the preceding report. The total amount sent to foreign countries was \$9,449,732, a decrease of \$657,168.

During the fiscal year there was collected in license fees and paid into the treasury of the Commonwealth the sum of \$2,975.

The unfortunate condition of affairs prevailing in Russia has worked hardship to persons sending money to that country. Very little attempt has been made by the bankers to send remittances there during the year. Previous to that time many persons, in-

fluenced by the very low rate of exchange, had sent, through these bankers, orders for the deposit of roubles to their credit in the Russian Government Savings Bank, and it has been impossible to secure pass books, or other evidences of the deposit of the remittances which were sent during the four or five months previous to the revolution. The total amount of money involved is quite large, and the inability of the banker in this country to obtain evidence that he has fulfilled his obligation in the matter has brought about a very embarrassing situation, for which the banker is in no way to blame, but for which he receives the most of the adverse criticism.

The following table is compiled from the last five annual reports made to this department, and shows the amount of money forwarded to various foreign countries: —

These bankers have very generally lived up to the intent of the statutes and have endeavored to carry out the recommendations of this department, and in justice to them it would seem to me that in the near future all persons who make a business of receiving comparatively small sums of money for safe-keeping should pay the same license fee and be under the same supervision.

RECOMMENDATIONS.

I hereby make the following recommendations for consideration and action by the General Court for the ensuing year: —

1. Under the existing statutes savings banks are limited in their investments in railroad bonds to those issued by railroads that

operate their roads and with specified earnings for a definite period of years. In the opinion of the Attorney-General, the taking and operation of the railroads by the United States government has disqualified these bonds as savings bank investments. As the government has declared its intention to pay a just compensation, the bonds of the railroads so taken over by the government should not in my opinion be invalidated. I am presenting a bill amending our existing statutes in order that savings banks may continue to invest in the same kind of bonds as before.

2. The statute provides that trust companies shall not make a loan to any one person in excess of a certain proportion of its capital stock and surplus. The spirit of the law is to prevent too large a part of its capital being invested in one place or enterprise. By making loans to various persons with the same collateral, or by making a division of the collateral and making various loans on the various parts of the collateral, one person or a group of persons might be able to use the entire resources of one trust company in aiding their own schemes. To avoid such contingency I recommend an amendment to the statute to prevent such a situation.

3. The savings banks are required to make a classified statement each fifth year of certain persons and organizations who make a deposit during that year. It would seem more satisfactory if the classified statement gives the number of such persons and organizations and the extent to which they avail themselves of the savings banks at the date of the annual reports of those years, inasmuch as the transactions of a single year do not fully indicate the accumulations of the amounts of these classified deposits.

4. The savings banks have performed a service to the government of the United States by enabling their depositors who have purchased Liberty Loan Bonds to leave their bonds where they may be safely cared for, and this accommodation has undoubtedly stimulated the purchases of the Liberty Loan Bonds by persons who had no place to store them against loss. As there is a doubt as to whether a savings bank can legally receive deposits of bonds for safe-keeping, I am recommending a statute authorizing them to perform that task.

5. As to credit unions, although they are organized for the purpose of accumulating and investing the savings of their members and making loans to members for provident purposes, yet the statute authorizes the use of the word "bank" if approved by the Board of

Bank Incorporation. They are not limited in their investments, as are other Massachusetts banks. They make loans on second mortgages and loans beyond the confines of the Commonwealth, and, generally speaking, obtain a larger interest rate than do other banking institutions. As they are carried on for the profit of their members, I see no reason why they should be exempt from taxation as eleemosynary institutions. I therefore again recommend that they be not exempted from taxation. I also recommend that their loans on real estate be limited to at least 80 per cent. of the value of improved property or 50 per cent. of the value of farm lands loaned on, and that their loans beyond the confines of Massachusetts be limited the same as are those of savings banks and trust companies, and that the committee recommending such loans shall make reports of the value of the property in the same manner as is required of savings banks.

6. I again call to your attention that chapters 470 and 610 of the Acts of 1914 prohibit other than incorporated banks and licensed bankers from soliciting or receiving deposits or transacting business in the way or manner of a savings bank. They do not prevent others than incorporated banks and licensed bankers from receiving deposits of money. It would seem that all persons, partnerships, associations and corporations receiving small amounts of money as above, and who are not under State supervision, should be required to so inform those who entrust money to their care, and in order to determine who may be carrying on such banking this department should have the necessary authority to investigate.

Respectfully submitted,

AUGUSTUS L. THORNDIKE,
Bank Commissioner.

STATEMENT No. 24.

LIST OF LEGAL INVESTMENTS.

The following is a list of bonds and notes which, in the opinion of this department, are now legal investments under the provisions of clauses *second*, *third*, *fourth*, *fifth* and *sixth* of section 68 of chapter 590, Acts of 1908. Clause *second*, relating to investments in public funds, has been applied only to those counties, cities, towns and districts which appear to have bonds or notes outstanding, *and from which debt statements could be obtained*. Clause *third* is the general law relating to railroad bonds which has been amended by the present General Court by the addition of subdivision "o.", continuing as legal investments bonds of certain railroads during the period of government operation. Clause *fourth* provides that issues which complied with the old law shall continue, under certain conditions, to be legal investments. The banks may not only continue to hold such bonds, but may invest further in them. In this list the bonds which do not comply with clauses *second* and *third*, but continue legal through clause *fourth*, are printed in italics and the reason in each case is explained in the footnotes. Clause *fifth* relates to investments in street railway bonds, and clause *sixth* to investments in telephone company bonds.

Investment in bonds or notes of cities, towns and districts mentioned in the list should not be made without further inquiry, as both their indebtedness and their valuations for the assessment of taxes are constantly changing.

Chapter 130, Acts of 1913.

AN ACT RELATIVE TO THE JURISDICTION OF THE PROBATE COURT.

Any person claiming a right to money deposited with the treasurer and receiver general under the provisions of sections fifty-five and fifty-six of chapter five hundred and ninety of the acts of the year nineteen hundred and eight, by a decree of the probate court, may establish his right by proper petition to the probate court in which the decree was entered. So much of section fifty-seven of said chapter five hundred and ninety, as amended by chapter seventy of the acts of the year nineteen hundred and twelve, as provides that petitions in such cases shall be made to the superior court is hereby repealed.

SECTION 58. Receivers of insolvent savings banks, at the expiration of one year after the final settlement ordered by the court, shall report to the court the names and residences, if known, of the persons entitled to money or dividends from the estate of such corporations remaining in their hands uncalled for, with the amount due to each. The court shall thereupon order a notice to be given by the receivers, and, upon the expiration of one year after the time of giving such notice, the receivers shall in like manner report the amounts still uncalled for. Unless cause shall appear for decreeing otherwise, such amounts shall then be ordered to be paid into the treasury of the commonwealth, and schedules signed by the receivers shall at the same time be deposited with the treasurer and receiver general and auditor, setting forth the decree of the court and the names and residences, so far as known, of the persons or parties entitled thereto alphabetically arranged, and the amount due to each. The auditor shall forthwith cause notice of such deposit to be mailed to such persons, and, upon certification by him that a claimant is entitled to any part of said deposit, it shall be paid in the same manner as other claims against the commonwealth. Upon the payment into the treasury of the commonwealth of such unclaimed money or dividends, the receivers shall deposit with the commissioner all books and papers of such insolvent savings banks, including those relative to their receivership, which shall be preserved by him.

In addition to the requirements of section fifty-nine of chapter five hundred and ninety of the acts of the year nineteen hundred and eight, the board of trustees of a savings bank may authorize a transfer from the profit and

loss account to the guaranty fund, in such amounts and at such times as they may deem for the best interests of the depositors: provided, that no such transfer shall increase said guaranty fund beyond the limit fixed by said section fifty-nine, and it shall be subject to the written approval of the bank commissioner.

 P. S. 116, § 25. nary dividend shall be declared every six months from income which
 1894, 317, § 26. has been earned, and which has been collected during the six months
 1897, 109. next preceding the date of such dividend, except that there may be
 R. L. 113, § 31. appropriated from the earnings remaining undivided after declaration
 of the preceding semi-annual dividend an amount sufficient to declare
 an ordinary dividend at a rate not in excess thereof; but the total
 dividends declared during any twelve months shall not exceed the net
 income of such corporation actually collected during such period,
 except upon written approval of the commissioner. Dividends shall
 be treated as deposits, and if not withdrawn shall be considered, in
 computing the dividend next following, as having been on deposit for
 the preceding six months. Ordinary dividends shall not exceed two
 and one half per cent on all amounts which have been on deposit for
 the six months last preceding, or one and one fourth per cent on all
 amounts which have been on deposit for the three months last pre-
 ceding. No ordinary dividend shall be declared or paid except as
 above provided, nor upon a deposit of less than three months' stand-
 ing; but in computing dividends as aforesaid, amounts deposited on either
 of the three business days immediately following the day on which
 deposits begin to draw interest may be considered as having been
 on deposit for three and six months, respectively. Such corporation
 may, by its by-laws, provide that a dividend shall not be declared or
 paid on less than three dollars, or on the fractional part of a dollar.

Payment of Dividends to be authorized by Trustees.

1859, 189, SECTION 61. Immediately before a meeting of the trustees called
 §§ 2, 3. to consider the declaration of a dividend, the auditing committee shall
 G. S. 57, § 147. make or cause to be made an examination of the income, profits and

 P. S. 116, § 28. the estimated net earnings of said period. No dividend shall be paid
 1894, 317, § 29. unless declared and authorized by the trustees after said examination,
 R. L. 113, § 34. and a copy of said report shall be filed and preserved with the records
 of the corporation.

When Extra Dividends shall be paid.

than one quarter of one per cent shall be declared on all amounts which have been on deposit for the six months, or not less than one eighth of one per cent on all amounts which have been on deposit for the three months, next preceding the date of such dividend, and such extra dividend shall be paid on the day on which the ordinary dividend is paid; but in no case shall the payment of an extra dividend as herein provided reduce the guaranty fund and undivided profits together to less than ten per cent of the deposits.

WITHDRAWAL OF DEPOSITS.

SECTION 64. The principal deposits in such corporation may be withdrawn at such time and in such manner as the by-laws direct, but the treasurer of such corporation may at any time require a depositor to give a notice not exceeding ninety days of his intention to withdraw the whole or any part of his deposit. Deposits so withdrawn shall be deducted in each case from the amounts last deposited.

PAYMENT ON ORDER AFTER DEATH OF DRAWER.

SECTION 65. Such corporation may pay an order, drawn by a person who has funds on deposit to meet the same, notwithstanding the death of the drawer, if presentation is made within thirty days after the date of such order; and at any time if the corporation has not received written notice of the death of the drawer.

PAYMENTS TO MINORS.

SECTION 66. Money deposited in the name of a minor may, at the discretion of the board of investment, or of the treasurer if authorized by said board, be paid to such minor or to the person making such deposit; and the same shall be a valid payment.

MAY BORROW MONEY.

SECTION 67. If necessary to pay its depositors, such corporation may, by vote of its board of investment, borrow money, and may pledge, as security therefor, its bonds, notes or other securities. A copy of the vote of the board of investment shall be sent forthwith to the commissioner.

PART V. — INVESTMENTS.

SECTION 68. Deposits and the income derived therefrom shall be invested only as follows: —

FIRST MORTGAGES OF REAL ESTATE.

First. In first mortgages of real estate located in this commonwealth not to exceed sixty per cent of the value of such real estate; but not more than seventy per cent of the whole amount of deposits shall be so invested. If a loan is made on unimproved and unproductive real estate, the amount loaned thereon shall not exceed forty per cent of the value of such real estate. No loan on mortgage shall be made except upon written application showing the date, name of applicant, amount asked for and security offered, nor except upon the report of not less than two members of the board of investment who shall certify on said application, according to their best judgment, the value of the premises to be mortgaged; and such application shall be filed and preserved with the records of the corporation.

certify in writing, according to their best judgment, the value of the premises mortgaged; and the premises shall be revalued in the same manner at intervals of not more than five years so long as they are mortgaged to such corporation. Such report shall be filed and preserved with the records of the corporation. If such loan is made on demand or for a shorter period than five years, a revaluation in the manner above prescribed shall be made of the premises mortgaged not later than five years after the date of such loan and at least every fifth year thereafter. If at the time a revaluation is made the amount loaned is in excess of sixty per cent, or in the case of unimproved and unproductive real estate in excess of forty per cent, of the value of the premises mortgaged, a sufficient reduction in the amount of the loan shall be required, as promptly as may be practicable, to bring the loan within sixty per cent, or in the case of unimproved and unproductive real estate within forty per cent, of the value of said premises. *Whenever in the opinion of the commissioner an excessive loan has been made, or is about to be made upon real estate, he shall have authority to cause an appraisal of said real estate to be made at the expense of the bank making the loan. One appraiser shall be named by the commissioner, one by the bank making the loan, and a third by the two thus named. Said appraisers shall determine the value of said real estate and certify the same in writing to the commissioner and to the bank. If it shall appear from said appraisal that said loan is in excess of the amount allowed by the provisions of this section, the commissioner may make such order in relation thereto as he may deem advisable.*

Chapter 399, Acts of 1910.

AN ACT RELATIVE TO PROCEEDINGS AGAINST AND THE LIQUIDATION OF CORPORATIONS AND INDIVIDUAL BANKERS SUBJECT TO THE SUPERVISION OF THE BANK COMMISSIONER.

1912, 472

SECTION 1. In this act, unless the context otherwise requires, the word "bank" means a savings bank, co-operative bank, trust company or any person, partnership, association or corporation incorporated or doing a banking business in this commonwealth which is subject to the supervision of the bank commissioner.

SECTION 2. Whenever it shall appear to the bank commissioner that any bank under his supervision has violated its charter or any law of the commonwealth, or is conducting its business in an unsafe or unauthorized manner, or that its capital is impaired, or if it shall refuse to submit its books, papers and concerns to the inspection of said commissioner or of his duly authorized agents, or if any officer of such bank shall refuse to be examined upon oath by the commissioner or his deputies touching its concerns, or if it shall suspend payment of its obligations, or if from an examination or from a report provided for by law the bank commissioner shall have reason to conclude that such bank is in an unsound or unsafe condition to transact the business for which it is organized, or that it is unsafe and inexpedient for it to continue business, the bank commissioner may take possession forthwith of the property and business of such bank and may retain possession thereof until the bank shall resume business or until its affairs shall finally be liquidated as herein provided.

1912, 472.

Subject to the written approval of the bank commissioner, any bank, at a meeting specially called to consider the subject, may vote to dissolve the corporation and liquidate its affairs: provided, that such a vote is passed by at least two thirds of the trustees or shareholders in a savings bank or co-operative bank or by stockholders of a trust company representing at least two thirds of its outstanding capital stock. A committee of three trustees, shareholders or stockholders shall thereupon be elected, and, under such regulations as may be prescribed by the bank commissioner, shall liquidate the assets, and after satisfying all debts of the corporation shall distribute the remaining proceeds among those entitled thereto in proportion to their respective interests therein.

1913, 177.

SECTION 3. Upon taking possession of the property and business of any bank, the bank commissioner shall forthwith give notice of that fact to any and all banks, trust companies, associations and individuals holding or having possession of any assets of such bank. No bank, trust company, association or individual knowing that the bank commissioner has taken such possession, or having been notified thereof as aforesaid, shall have a lien or charge for any payment, advance or clearance thereafter made, or liability thereafter incurred, against any of the assets of the bank of whose property and business the bank commissioner shall have taken possession as aforesaid. Such bank may, with the consent of the bank commissioner, resume business upon such conditions as he may approve: *provided, however, that if, in his judgment, it is for the public interest so to do, he may retain in behalf of the bank the control, prosecution or defence of any undetermined suits or claims brought in behalf of or against the bank under the provisions of section five of this act during the time when the bank was in his charge, and the expense of prosecuting or defending such suits or claims shall be paid from the funds of such bank.*

SECTION 4. Upon taking possession of the property and business of such bank, the bank commissioner shall have authority to collect moneys due to the bank, and to do such other acts as are necessary to conserve its assets and business, and shall proceed to liquidate its

affairs as hereinafter provided. He shall collect all debts due and claims belonging to it, and upon the order or decree of the supreme judicial court, or any justice thereof, may sell or compound all bad or doubtful debts, and on like order or decree may sell all, or any part of, the real and personal property of the bank on such terms as the court shall direct; and he may, if necessary to pay the debts of any such trust company, enforce the individual liability of the stockholders.

SECTION 5. For the purpose of executing and performing the powers and duties hereby conferred upon him, the bank commissioner may, in the name of any such delinquent corporation or individual banker, prosecute and defend any and all suits and other legal proceedings and may, in the name of the delinquent corporation or individual banker, execute, acknowledge and deliver any and all deeds, assignment, releases and other instruments necessary and proper to effectuate any sale of real or personal property or any compromise authorized by the court as herein provided; and any deed or other instrument, executed pursuant to the authority hereby given, shall be valid and effectual for all purposes to the same extent as though the same had been executed by the officers of the delinquent corporation by authority of its board of directors or of its stockholders, or by the individual banker personally. In case any of the real property so sold is located in a county other than that in which the application to the court for leave to sell the same is made, the bank commissioner shall cause a certified copy of the order or decree of the court authorizing or ratifying such sale to be filed in the registry of deeds for the district in which the said real property is located.

SECTION 6. The bank commissioner may, under his hand and official seal, appoint an agent or agents to assist him in the duty of liquidation and distribution. The certificate of the appointment of such agent or agents shall be filed in the office of the bank commissioner, and a certified copy thereof shall be filed in the office of the clerk of the supreme judicial court for the county in which the principal office of such bank is located. The bank commissioner may from time to time authorize such agent or agents to perform such duties connected with said liquidation and distribution as he may deem proper. The bank commissioner may procure such expert assistance and advice as he may consider necessary in the liquidation and distribution of the assets of such bank, and he may retain such of the officers or employees of the bank as he may deem necessary. The bank commissioner shall require from a special agent and from such assistants such security for the faithful discharge of their duty as he may deem proper.

SECTION 7. Upon taking possession of the property and assets of such bank, the bank commissioner shall make an inventory of the assets of the bank in duplicate, one to be filed in the office of the bank commissioner and one in the office of the clerk of the supreme judicial court for the county in which the principal office of the bank is located.

SECTION 8. The bank commissioner shall cause to be published weekly for three consecutive months, in such newspapers as he may direct, a notice calling on all persons who may have claims against such bank to present the same to the bank commissioner and to make legal proof thereof at a place and in a time, not earlier than the last day of publication, to be therein specified. The bank commissioner shall mail a similar notice to all persons whose names appear as creditors upon the books of the bank, so far as their addresses are known. If the bank commissioner doubts the justice and validity of any claim, he may reject the same and serve notice of such objection upon the claimant either by mail or person. An affidavit of service of such notice, which shall be prima facie evidence thereof, shall be filed with the bank commissioner. An action upon the claim so rejected shall not be entertained unless brought within six months after such service. Claims presented after the expiration of the time specified in the notice

to creditors shall be entitled to share in the distribution only to the extent of the assets in the hands of the bank commissioner equitably applicable thereto.

SECTION 9. Upon the expiration of the time fixed for the presentation of claims, the bank commissioner shall make in duplicate a full and complete list of the claims presented, including and specifying such claims as have been rejected by him. One of said lists shall be filed in the office of the bank commissioner and the other in the office of the clerk of the supreme judicial court for the county in which the principal office of the bank is located. Thereafter the bank commissioner shall make and file in said offices, at least fifteen days before every application to the court for leave to declare a dividend, a supplementary list of the claims presented since the last preceding list was filed, including and specifying such claims as have been rejected by him, and, in any event, he shall make and file the said list at least once in every six months after the filing of the original list, so long as he shall remain in possession of the property and business of the bank. Said inventory and said list shall be open to inspection at all reasonable times.

SECTION 10. The compensation of the special agents, counsel, employees and assistants, and all expenses of supervision and liquidation shall be fixed by the bank commissioner, subject to the approval of the supreme judicial court for the county in which the principal office of such bank is located, on notice to such bank and, upon the certificate of the bank commissioner, shall be paid out of the funds of the bank in his hands.

SECTION 11. At any time after the expiration of the date fixed for the presentation of claims the supreme judicial court, upon the application of the bank commissioner, may authorize him to declare out of the funds remaining in his hands, after the payment of expenses, one or more dividends, and, after the expiration of one year from the first publication of notice to creditors, the bank commissioner may declare a final dividend, such dividends to be paid to such persons, in such amounts, and upon such notice as may be directed by the supreme judicial court for the county in which the principal office of such bank was located, or as may be directed by a justice of said court. Objections to any claim not rejected by the bank commissioner may be made by any person interested by filing a copy of such objections with the bank commissioner, who shall present the same to the supreme judicial court at the time of the next application for leave to declare a dividend. The court to which such application is made shall thereupon dispose of said objections, or may refer them to a master for that purpose, and should the objections to any claim be sustained by the court or by the master no dividend thereon shall be paid by the bank commissioner until the claimant shall have established his claim by the judgment of a court of competent jurisdiction. The court may make proper provision for unproved or unclaimed deposits.

SECTION 12. Should any corporation or individual banker, at the time when the bank commissioner takes possession of the property and business of such corporation or banker, have in its or his possession for safe keeping and storage, any jewelry, plate, money, securities, valuable papers or other valuable personal property, or should it or he have rented any box, safes, or safe deposit boxes, or any part thereof, for the storage of property of any kind, the bank commissioner may at any time after taking possession as aforesaid cause to be mailed to the person claiming to be, or appearing upon the books of the corporation or banker to be, the owner of such property, or to the person in whose name the safe, vault, or box stands, a notice in writing in a securely closed postpaid, registered letter, directed to such person at his postoffice address as recorded upon the books of the corporation or

banker, notifying such person to remove, within a period fixed by said notice and not less than sixty days from the date thereof, all such personal property; and upon the date fixed by said notice, the contract if any, between such persons and the corporation or banker for the storage of said property, or for the use of said safe, vault or box, shall cease and determine, and the amount of the unearned rent or charges, if any, paid by such person shall become a debt of the corporation or banker to such person. If the property be not removed within the time fixed by the notice, the bank commissioner may make such disposition of said property as the supreme judicial court, upon application thereto, may direct; and thereupon the bank commissioner may cause any safe, vault or box to be opened in his presence, or in the presence of one of his special agents and of a notary public not an officer or in the employ of the corporation or banker, or of the bank commissioner, and the contents thereof, if any, to be sealed up by such notary public in a package upon which the notary public shall distinctly mark the name and address of the person in whose name such safe, vault or box stands upon the books of the corporation or banker, and shall attach thereto a list and description of the property therein. The package so sealed and addressed, together with the list and description may be kept by the bank commissioner in one of the general safes for boxes of the corporation or banker until delivered to the person whose name it bears, or may otherwise be disposed of as directed by the court.

SECTION 13. Whenever any corporation or banker of whose property and business the bank commissioner has taken possession as aforesaid deems itself or himself aggrieved thereby, it or he may, at any time within ten days after such taking possession, apply to the supreme judicial court for the county in which the principal office of the corporation or banker is located to enjoin further proceedings; and said court, after citing the bank commissioner to show cause why further proceedings should not be enjoined, and after hearing the allegations and proofs of the parties and determining the facts, may, upon the merits, dismiss such application or may enjoin the bank commissioner from further proceedings and direct him to surrender the said business and property to the corporation or banker.

SECTION 14. Whenever the bank commissioner shall have paid to each and every depositor and creditor of such corporation, not including stockholders, whose claim or claims as such creditor or depositor shall have been duly proved and allowed, the full amount of such claim, and shall have made proper provision for unclaimed and unpaid deposits or dividends, and shall have paid all the expenses of the liquidation, he shall call a meeting of the stockholders of the corporation by mailing notice thereof, not less than thirty days prior to the date of the meeting, to each stockholder of record whose address is known, and also by publishing notice of the meeting once a week for four successive weeks in some newspaper of general circulation published in the county where the principal office of the corporation is located, the first publication to be not less than thirty days before the date appointed for the meeting. At such meeting the stockholders shall determine whether the bank commissioner shall be continued as liquidator and shall wind up the affairs of the corporation, or whether an agent or agents shall be elected for that purpose, and in so determining the stockholders shall vote by ballot, in person or by proxy, each share of stock entitling the holder to one vote; and a majority of the stock shall be necessary for the determination. In case it is determined to continue the liquidation under the bank commissioner, he shall complete the liquidation and, after paying the expenses thereof, he shall distribute the proceeds remaining among the stockholders in proportion to their several holdings of stock, in such manner and upon such notice as

may be directed by the supreme judicial court. In case it is determined to appoint an agent or agents to liquidate, the stockholders shall thereupon select such agent or agents by ballot, a majority of the stock present and voting, in person or by proxy, being necessary to a choice. Such agent or agents shall execute and file with the bank commissioner a bond to the treasurer and receiver general of the commonwealth in such amount, with such sureties and in such form as shall be approved by the bank commissioner, conditioned for the faithful performance of all the duties of his or their trust, and thereupon the bank commissioner shall transfer and deliver to such agent or agents all undivided, uncollected or other assets of the corporation then remaining in his hands. Upon such transfer and delivery, the bank commissioner shall be discharged from any and all further liability to such corporation. Said agent or agents shall convert into cash the assets coming into his or their possession and shall account for and make distribution of the property of the corporation as provided in the case of distribution by the bank commissioner, except that the expenses thereof shall be subject to the direction and control of the supreme judicial court. In case of the death, removal or refusal to act of any such agent or agents the stockholders, on the like notice, to be given by the bank commissioner upon proof of such death, removal or refusal to act being filed with him, and by the like vote hereinbefore provided, may elect a successor, who shall have the same powers and be subject to the same liabilities and duties as the agent originally elected.

SECTION 15. Dividends and unclaimed deposits remaining unpaid in the possession of the bank commissioner for six months after the order for final distribution shall be deposited by him in one or more national banks, savings banks or trust companies to the credit of the bank commissioner in his official capacity, in trust for the several depositors with, and creditors of, the liquidated corporation from which they were received, according to the several interests of the persons entitled thereto. The bank commissioner shall state annually in his report to the general court the names of corporations, including individual bankers, so taken possession of and liquidated and the amounts of unclaimed and unpaid deposits or dividends with respect to every such corporation and banker. The bank commissioner may pay over the money so held by him to the persons respectively entitled thereto upon being furnished satisfactory evidence of their right to the same. In cases of doubt or of conflicting claims he may require an order of the supreme judicial court authorizing and directing the payment thereof. He may apply the interest earned by the moneys so held or deposited by him toward defraying the expenses incurred in the payment and distribution of such unclaimed deposits or dividends to the depositors and creditors entitled to receive the same, and he shall include in his annual report to the general court a statement of the interest earned by such unclaimed dividends and deposits.

SECTION 16. The supreme judicial court, or any justice thereof, shall have jurisdiction in equity to enforce the provisions of this act and to act upon all applications and in all proceedings thereunder.

SECTION 17. Sections nine, ten and eleven of chapter five hundred and ninety of the acts of the year nineteen hundred and eight are hereby repealed.

SECTION 18. This act shall take effect upon its passage.

Section 11, Chapter 622, Acts of 1910.

The supreme judicial court or any justice thereof sitting in equity may, upon petition of a savings bank or the trustees of a savings bank approved by the bank commissioner, approve or order a reduction of the deposit account of each depositor therein, whenever the value of its

assets is less than the total amount of its deposits so as to divide the loss equitably among said depositors. If thereafter the bank shall realize from said assets a greater sum than was fixed by said order of reduction, such excess shall be divided among the depositors whose accounts have been reduced, but to the extent of such reduction only.

Chapter 228, Acts of 1911.

AN ACT RELATIVE TO THE PAYMENT OF DEPOSITS MADE IN SAVINGS BANKS AND OTHER BANKING INSTITUTIONS IN THE NAMES OF TWO PERSONS AND TO PROVIDE FOR AN INCREASE IN THE LIMIT OF JOINT ACCOUNTS IN SAVINGS BANKS AND OTHER BANKING INSTITUTIONS.

SECTION 1. When a deposit has been made, or shall hereafter be made, in any bank, savings bank or institution for savings in the names of two persons, payable to either, or payable to either or the survivor, such deposit, or any part thereof, or interest or dividend thereon, if not then attached at law or in equity in a suit against either of said persons, may be paid to either of said persons, whether the other be living or not, and such payment shall discharge the bank, savings bank or institution for savings making such payment from its obligation, if any, to such other person or to his legal representatives for or on account of such deposit. For the purposes of this act the term "bank" shall include any person or association of persons carrying on the business of banking, whether incorporated or not.

SECTION 2. *The bank, savings bank, or institution for savings may receive deposits on the accounts provided for in section one to the amount of two thousand dollars, and may allow interest upon such deposits and upon the interest accumulated thereon until the principal with the accrued interest amounts to four thousand dollars, and thereafter upon no greater amount than four thousand dollars. SECTION 1. Domestic trust companies incorporated subsequent to the twenty-eighth day of May in the year eighteen hundred and eighty-eight shall be subject to the provisions of this chapter, and any such corporation chartered prior to said date which has adopted or which shall adopt according to law the provisions of this chapter or of any section thereof, or the corresponding provisions of earlier laws, shall be subject to the provisions so adopted; and all such corporations, whenever incorporated, shall be subject to the provisions of sections fourteen, fifteen and eighteen to twenty-two, inclusive, section twenty-four, so much of section thirty-seven as applies to corporations exercising the powers conferred by the provisions of section eighteen, and section thirty-eight; but the provisions of section twenty-four so far as they are inconsistent with the provisions of the charter of a trust company incorporated prior to the twenty-eighth day of May in the year eighteen hundred and eighty-eight shall not apply to such corporation in the performance of its duties as trustee.

SECTION 2. A domestic trust company transacting business in this commonwealth may adopt as a part of its charter the provisions of this chapter or of any section thereof by a majority vote of the stock represented at a special meeting called for the purpose and by filing, within ten days from the date of such meeting, with the secretary of the commonwealth and with the board of commissioners of savings banks a certificate sworn to by the clerk of such corporation and stating such adoption.

SECTION 3. No person or association and no bank or corporation, except trust companies incorporated as such in this commonwealth, shall use in the name or title under which his or its business is transacted the words "Trust Company" even though said words may be separated in such name or title by one or more other words, or advertise or put forth a sign as a trust company or in any way solicit or receive deposits as such. Whoever violates any provision of this section shall forfeit for each offence one hundred dollars for each day during which such offence continues. But the provisions of this section shall not prohibit an insurance company authorized prior to the first day of October in the year eighteen hundred and ninety-nine to do business in this commonwealth nor a company authorized prior to said date to transact a foreign mortgage business in this commonwealth from using the words "Trust Company" as a part of its corporate name.

SECTION 4. A domestic trust company shall organize and commence business within two years from the date of its incorporation, otherwise its charter shall become void.

SECTION 5. *The capital stock of such corporation shall be not less than two hundred thousand dollars, except that in a city or town whose population numbers not more than one hundred thousand the capital stock may be not less than one hundred thousand dollars, divided into shares of the par value of one hundred dollars each; and except also that in towns whose population is not more than ten thousand the capital stock may be not less than fifty thousand dollars divided into shares of the par value of one hundred dollars each; and no business shall be transacted by the corporation until the whole amount of its capital stock is subscribed for and actually paid in, and no shares shall be issued until the par value of such shares shall have actually been paid in in cash. Any trust company desiring to increase its capital stock to an amount greater than that fixed in its agreement of association or beyond the amount which is paid in at the date of the passage of this act may, subject to the approval of the bank commissioner, increase its capital stock in the manner provided for the increase of capital stock of business corporations under the provisions of chapter four hundred and thirty-seven of the acts of the year nineteen hundred and three, and of acts in amendment thereof, relative to the increase of capital stock: provided, however, that no such*

stock shall be issued by any trust company until the par value thereof shall be fully paid in in cash.

SECTION 6. [*This section is superseded by section 6 of chapter 374, Acts of 1904, printed on page lxviii.*]

SECTION 7. The officers of such corporation shall be sworn to the faithful performance of their duties and shall be a president, clerk or secretary, a board of not less than seven directors, a treasurer or actuary or both, and such other officers as may be prescribed by its by-laws.

SECTION 8. The officers of such corporation, except the treasurer and actuary, shall be chosen at its annual meeting. The treasurer and actuary shall be appointed by the directors, shall hold their respective offices during the pleasure of the board of directors and shall give bond to the satisfaction of said board for the faithful performance of their duties. *The board of directors may fill, until the next annual meeting, any interim vacancies in office that may occur.*

SECTION 9. No person shall be a director in any such corporation unless he is a stockholder holding not less than ten shares of unpledged stock therein. A majority of the directors shall be citizens of and resident in this commonwealth and not more than one-third of the directors shall be directors in any other such corporation.

SECTION 10. The corporation may adopt by-laws for the proper management of its affairs, may establish regulations controlling the assignment and transfer of its shares and may determine what number of shares shall be represented at any meeting to constitute a quorum. If the quorum is not so determined, a majority in interest of the stockholders shall be a quorum.

SECTION 11. The books of such corporation shall at all reasonable times be open for inspection to the stockholders and to beneficiaries under any trust held by such corporation as hereinafter provided.

SECTION 12. Such corporation may receive on deposit, storage or otherwise, money, government securities, stocks, bonds, coin, jewelry, plate, valuable papers and documents, evidences of debt, and other property of any kind, upon such terms or conditions as may be agreed upon, and at the request of the depositor may collect and disburse the interest or income, if any, upon said property received on deposit and collect and disburse the principal of such of said property as produces interest or income when it becomes due, upon terms to be prescribed by the corporation. Such deposits shall be general deposits, and may be made by corporations and persons acting individually or in any fiduciary capacity. Such corporation shall not give collateral or other security for a deposit of money received under the provisions of this section, *except that the corporation may make such a deposit of securities as may be required by the laws of the United States or the rules and regulations of the trustees of the postal savings system as security for deposits of postal savings funds made with such corporation.*

SECTION 13. Such corporation may, subject to the limitations of the following section, advance money or credits, whether capital or general deposits, on real property situated within this commonwealth and on personal security, on terms that may be agreed upon, and also invest its money or credits, whether capital or general deposits, in the stocks, bonds or other evidences of indebtedness of corporations or of governments, both foreign and domestic.

SECTION 14. No trust company shall advance money or credits upon notes secured by deed of trust or by mortgage upon farms or agricultural or unimproved land outside of this commonwealth, except upon land situated in the New England states or the state of New York, nor invest in nor make loans upon the bonds or other securities of a company negotiating or dealing in such notes so secured or in such mortgages.

Any such appointment as guardian shall apply to the estate and not to the person of the ward. Such corporation shall not be required to receive or hold property or money or assume or execute a trust under the provisions of this or of section sixteen without its assent.

1899, 348, § 2.

SECTION 19. The capital stock of such corporations, with the liabilities of the stockholders thereunder, shall be held as security for the faithful performance of the duties undertaken by virtue of sections sixteen and eighteen or of any similar provision of law, and, except as provided in section twenty-two, no surety shall be required upon the bonds filed by such corporation.

SECTION 20. No such corporation shall commence to exercise the powers and duties described in sections sixteen to eighteen, inclusive, until it has received authority in writing therefor from the board of commissioners of savings banks, and said board may grant or refuse such authority after such investigation of the affairs of the corporation as it may consider expedient.

[The powers and duties conferred upon the board of commissioners of savings banks by the provisions of the above section are now vested in the board of bank incorporation. See section 4 of chapter 590, Acts of 1908, printed on page lxxx.]

SECTION 21. In all proceedings in the probate court or elsewhere, connected with any authority exercised under the provisions of sections sixteen and eighteen, or under any similar provisions of law, all accounts, returns and other papers may be signed and sworn to, in behalf of the corporation, by any officer thereof duly authorized by it, and the answers and examinations under oath of said officer shall be received as the answers and examinations of the corporation. The court may order and compel an officer of such corporation to answer and attend said examination in the same manner as if he, instead of the corporation, were a party to the proceeding.

SECTION 22. The court making an appointment under the provisions of section eighteen, except of a trustee, may, upon application by an interested person, require the corporation so appointed to give such security, in addition to that provided by section nineteen, as the court may consider proper, and upon failure of such corporation to give the security required, may revoke such appointment and remove such corporation from the trust.

SECTION 23. A person creating a trust may direct whether money or property deposited under it shall be held and invested separately or invested in the general trust fund of the corporation; and such corporation acting as trustee shall be governed by directions contained in a will or instrument under which it may act.

SECTION 26. The trust guaranty fund shall be absolutely pledged for the faithful performance by the corporation of all its duties and undertakings under the provisions of sections sixteen to eighteen, inclusive, and shall be applied to make good any default in such performance, and such pledge and liability shall not in any way relieve the capital stock and general funds of the corporation, but creditors under said sections shall have an equal claim with other creditors upon the capital and other property of the corporation, in addition to the security hereby given.

SECTION 29. Every such corporation chartered subsequent to the twenty-first day of May in the year eighteen hundred and ninety-six, after a deduction of all reasonable expenses and losses incurred during the year in the management thereof, shall annually set aside not less than ten per cent of its remaining earnings as a guaranty fund, until such fund amounts to twenty-five per cent of its capital, which fund shall be invested in the same manner as deposits in savings banks may be invested.

SECTION 30. The stockholders of such corporation shall be personally liable, equally and ratably and not one for another, for all contracts, debts and engagements of the corporation, to the amount of their stock therein at the par value thereof, in addition to the amount invested in such shares. The provisions of sections sixty to sixty-eight, inclusive, of chapter one hundred and ten shall apply to and regulate the enforcement of such liability and receivers of insolvent trust companies may, with the approval of the supreme judicial court, enforce such liability.

SECTION 31. A trust company whose stockholders are liable under the provisions of the preceding section and whose capital stock shall, in the opinion of the board of commissioners of savings banks, have become impaired by losses or otherwise, shall, within three months after receiving notice from said board, pay the deficiency in the capital stock by assessment upon the stockholders pro rata to the shares held by each. If such corporation shall fail to pay such deficiency in its capital stock for three months after receiving such notice, the board may apply to the supreme judicial court for an injunction, as provided in section six of chapter one hundred and thirteen; and if a stockholder of such corporation shall neglect or refuse, after three months' notice, to pay the assessment as provided in this section, the board of directors shall cause an amount of his stock sufficient to make good his assessment to be sold by public auction, after thirty days' notice given by posting such notice in the office of the corporation and by publishing it in a newspaper of the city or town in which the corporation is located or in a newspaper published nearest thereto; and the balance, if any, shall be returned to such delinquent stockholder. The provisions of this section shall not take away the right of creditors to enforce the liability of stockholders in such corporations, as provided in the preceding section, nor increase the general liability of such stockholders.

SECTION 32. Such corporation may act as agent for the purpose of issuing, registering or countersigning the certificates of stock, bonds or other evidences of indebtedness of a corporation, association, municipal corporation, state or national government, on such terms as may be agreed upon, and may also act as trustee or financial or other agent for a person, association, municipal corporation or government, and in their behalf may negotiate loans and sell and negotiate the sale of securities, and may also act as trustee for the bondholders of a corporation, and for such purpose may receive transfers of real and personal property upon such terms as may be agreed upon.

SECTION 33. No such corporation shall make a loan or discount on the security of the shares of its own capital stock, nor be the purchaser or holder of such shares, unless such security or purchase shall be necessary to prevent loss upon a debt previously contracted in good faith;

and stock so purchased or acquired shall, within six months after its purchase, be sold or disposed of at public or private sale.

SECTION 34. *The total liabilities of a person, other than cities or towns, including in the liabilities of a firm the liabilities of its several members, for money borrowed from and drafts drawn on any such corporation having a capital stock of five hundred thousand dollars or more shall at no time exceed one fifth part of the surplus account and of such amount of the capital stock of such corporation as is actually paid up. Such total liabilities to any such corporation having a capital stock of less than five hundred thousand dollars shall at no time exceed one fifth of such amount of the capital stock of the corporation as is actually paid up; but the discount of bills of exchange drawn in good faith against actually existing values, and the discount of commercial or business paper actually owned by the person negotiating it, shall not be considered as money borrowed. The total liabilities to any one such corporation of any government, either foreign or domestic, other than the government of the United States of America or of this commonwealth, shall not exceed one tenth part of the surplus account and of such amount of the capital stock of such corporation as is actually paid up, and no trust company shall invest, or advance an aggregate amount exceeding at any one time twenty per cent of its surplus account and paid up capital stock in such securities and evidences of indebtedness.*

SECTION 2. This act shall take effect upon its passage.

Chapter 374, Acts of 1904.

AN ACT RELATIVE TO THE INCORPORATION AND TO THE RESERVE FUNDS OF TRUST COMPANIES.

SECTION 1. Fifteen or more persons who associate themselves by an agreement in writing for the purpose of forming a trust company may, upon compliance with the provisions of this act, become a corporation, with all the powers and privileges and subject to all the duties, restrictions and liabilities set forth in all general laws now or hereafter in force relating to such corporations.

SECTION 2. Said agreements shall set forth that the subscribers thereto associate themselves with the intention of forming a corporation, and shall specifically state:—

First, The name by which the corporation shall be known.

Second, The purpose for which it is formed.

Third, The city or town, which shall be within this commonwealth, where its business is to be transacted.

Fourth, The amount of its capital stock, and the number of shares into which the same is to be divided.

Each associate shall subscribe to the articles his name, residence, post office address and the number of shares of stock which he agrees to take.

SECTION 3. A notice of the intention of the subscribers to form such a trust company shall be given to the board of commissioners of savings banks. A notice in such form as said board shall approve shall be published at least once a week, for three successive weeks, in one or more newspapers designated by said board, and published in the city or town in which it is proposed to establish the company. Such notice shall specify the names of the proposed incorporators, the name of the corporation and the location of the same, as set forth in the above mentioned agreement of association. Within thirty days after the first publication of said notice the subscribers to said agreement shall apply to said board for a certificate that public convenience and advantage will be promoted by the establishment of such trust company. If the board refuses to issue such certificate, no further proceedings shall be had, but the application may be renewed after one year from the date of such refusal, without further notice or publication unless the board shall order the same.

[The powers and duties conferred upon the board of commissioners of savings banks by the provisions of the above section are now vested in the board of bank incorporation. See section 4 of chapter 590, Acts of 1908, printed on page lxxx.]

SECTION 4. The first meeting of the subscribers to the agreement of association shall be called by a notice signed either by that subscriber to the agreement who is designated therein for the purpose, or by a majority of the subscribers; and such notice shall state the time, place and purposes of the meeting. A copy of the notice shall, seven days at least before the day appointed for the meeting, be given to each subscriber or left at his residence or usual place of business, or deposited in the post office, postage prepaid, and addressed to him at his residence or usual place of business, and another copy thereof and an affidavit of one of the signers that the notice has been duly served shall be recorded with the records of the corporation. If all the incorporators shall in writing, endorsed upon the agreement of association, waive such notice and fix the time and place of the meeting, no notice shall be required. The subscribers to the agreement of association shall hold the franchise until the organization has been completed. At such first meeting, or at any adjournment thereof, the incorporators shall organize by the choice by ballot of a temporary clerk, by the adoption of by-laws and by the election in such manner as the by-laws may determine, of directors, a president, a clerk, and such other officers as the by-laws may prescribe. All the officers so elected shall be sworn to the faithful performance of their duties. The temporary clerk shall make and attest a record of the proceedings until the clerk has been chosen and sworn, including a record of such choice and qualification.

SECTION 5. The president, and a majority of the directors who are elected at such first meeting, shall make, sign and make oath to, in duplicate, articles setting forth:—

a. A true copy of the agreement of association, the names of the subscribers thereto, and the name, residence and post office address of each of the officers of the company;

b. The date of the first meeting and the successive adjournments thereof, if any.

One of such certificates shall be submitted to the board of commissioners of savings banks, and the other, together with the records of

the proposed corporation, to the commissioner of corporations, who shall examine the same, and who may require such amendment thereof or such additional information as he may consider necessary. If he finds that the articles conform to the provisions of the preceding sections relative to the organization of the corporation and that the provisions of section three have been complied with, he shall so certify and endorse his approval thereon. Thereupon the articles shall be filed in the office of the secretary of the commonwealth, who, upon payment of a fee equal to one fortieth of one per cent of the capital stock of said corporation as set forth in said articles, shall cause the same, with the endorsement thereon, to be recorded, and shall thereupon issue a certificate of incorporation in the following form: —
